Updated Data Forms on the BCLSS Website

Many of our volunteers are now submitting their Secchi/temperature and ice-on/ice-off data via email. In response to this, we have uploaded Microsoft Excel versions of the Secchi/temperature, dissolved oxygen (DO)/temperature profile, and ice-on/ice-off data sheets on our website! Our hope is that you find these Excel datasheets more user-friendly compared to the Word versions when entering your monitoring data into the computer. Simply enter your data into the Excel file, save it to your computer, then email us the file!

To download the Excel versions of the Secchi/temperature, dissolved oxygen (DO)/temperature profile, and ice-on/ice-off data sheets, please visit http://bclss.org/library/library/cat_view/95-data-collection-forms-and-protocols.html

Membership

Is your BCLSS membership up for renewal? The BCLSS relies on people like you! For a renewal form, visit www.bclss.org/become-a-member/become-a-member.html or contact the BCLSS office.

Don't forget to register on the new BCLSS website!! Registration is easy - if your membership is up-to-date the approval process won't be delayed. Follow through the steps as if you will be paying using PayPal, skipping the final step where you would enter payment information (if you do need to pay for your membership, PayPal is a secure option, and no account is required). To register, visit: www.bclss.org/component/comprofler/registers.html.
